Hi, Sarah,

Thanks much for your e-mail message of 07/17/2012 and your attachment re: the [External] Draft FR Notice.

**We have reviewed** the Draft FR Notice, attached at bottom of the e-mail messages below (FR Notice Update 25 7-17-12.doc); and your e-mail message pertaining to Most Recent Changes to the Site Listings.

**The R.10 responses/comments** are in **RED** text in our attachment (FR Notice Docket Update 25 - rev R10 120717). For R.10 responses/comments on "Most Recent Changes to the Site Listings", see Brief summary, (3), below.

**Brief summary** of what to look for:

**(1) FR Notice for Docket Update #25**

**PREAMBLE:**

See pp. 1, 2, 4, 6, 7 - corrections needed in the text:

- (a) most are simply spelling errors;
- (b) a few changes/corrections needed in the text.

**(2) FR Notice for Docket Update #25**

**LIST OF SITES (Additions, Deletions, Corrections):**

See pp. 9, 10, 11, 12, 13, 14 - corrections needed in the content:

- (a) Correct simple spelling errors;
- (b) Improve some unclear spacing;
- (c) Maintain consistency of format of Agency Names listed as part of Site Names,
- (d) Make a complete Spell Check & a Spell Check of Names, Addresses & potentially missing Agencies, for all sites listed, before the list goes to the

Federal Register

and goes public!

At a minimum - Correct spelling of Agency Names, Agency Name

Abbreviations,

any misspelled names, addresses.

Check, whether there are some Agency Names missing, but that could be due to the

unclear spacing.

(Have started to try to correct, what I thought, were just a couple of a few of the

spelling errors with Strikethrough followed by correction, for example:

correct ~~Afb~~ to read **AFB**; Gave up, because there are too many in that 6 page

list.)

- (d) p. 11: Remove site from Docket Additions List to the Do Not Add List:

USDEA 180th St Orting, Orting, WA.

Documentation received indicates that site is NOT federal property but private owner property with clandestine lab operation; and DEA only did Removal Response Action.

R.10 had requested not adding the site for the reason that private property sites

are not eligible for addition to the Docket.

See: R.10 e-mail message to Tim Mott, 06/27/2012, 11:09 AM PDT -  
USDEA 180th St Orting, WA,  
RCRA LQG 2000-2004 - DO NOT ADD to Docket Update #25.

**(3) Most Recent Changes to the Site Listings - your e-mail message below:  
R.10 sites removed from Additions list to Do Not Add list:**

-USDA FHA Holthusen Farm, WA

-USDA FHA Tom Gorman Farm Ellensburg, WA

-USDA FS Olympic NF: Fir Creek, WA

R.10 had recommended not adding these sites, but left the final decision to FFRRO.

See: R.10 e-mail message to Tim Mott, 06/22/2012, 11:20 AM PDT -  
Response - Re: USDA Comments - Review of Proposed Hazardous Waste  
Compliance Docket Update #25.

Therefore, R.10 agrees with the above changes to the Site Listings.

If you have any questions, or need more information, please get in touch. Many thanks and have a good day!

Monica and Ken.
